Dear ANTHONY MINER OCONNELL,

This letter is to address your misuse of secure messaging. You have written the same thing over 6 times and we have sent you the answer as many times. You MUST stop doing this. Your medications are not being withheld, they are being sent out. We have told you how to contact Release of Information each time regarding the copy of your advanced directives as we do not have access to them. The MSA, the social worker, pharmacist and I have all responded to you numerous times. If you do not stop misusing secure messaging, I will have to request from the overseer of secure messaging contact you and if necessary suspend your secure messaging.

Sincerely,

Randi Schmeling MS, RNP, ANP, BC
